

# 100% View

**Note:**  
 If printing full colour over flip open edge, chipping to print may occur.  
 We suggest staying away from this area with your print to avoid this.

**Note: Some minor over spray may be apparent when digitally printing full reversal prints**

## IMPORTANT INFORMATION

If this item is printed please ensure PMS colours are supplied for print colour. We cannot take responsibility for print colour variations if no PMS colours are provided. Product Colour, Print colours and decoration result may vary from what is digitally represented above. This is provided as a guide only.
